

1 March 2021

Dear Comal ISD Community,

Tye's Driving School is a family owned and operated business. We strive to serve parents and students with quality driver education and personal instruction. We are also a small company, and while we have loved serving the Comal ISD community, we have been unable to keep up with the demand of such a large district.

Word got out early on, and our instructor and his office manager were quickly overwhelmed. There were, from the beginning, more phone calls than we had time to answer, and more students than we had instructors for. While we tried to hire additional instructors, COVID-19 related delays in state licensing and a lack of qualified new-hire candidates meant we could not. Therefore, Tye's Driving School will no longer be able to partner with Comal ISD beyond the 2020-2021 school year.

We will be honoring existing contracts with students, but unable to accept new students.

We apologize that we cannot continue to serve the Comal ISD community.

We want to thank Jonquez and Lauren Moore (our instructor and office manager) for their hard work, as well as thank the parents and students for their support.

We wish you all well.

Drive safely!

A handwritten signature in black ink, consisting of several overlapping, slanted lines that form the name "Steven Tye".
